

**The Hong Kong Medical Diary** is the official publication of The Federation of Medical Societies of Hong Kong with the co-operation of The Hong Kong Medical Association and British Medical Association (Hong Kong Branch), and is published monthly by [Medcom Limited](#).

The Medical Diary is distributed monthly to 8,000 doctors and dentists in Hong Kong. All opinions expressed in the Diary are the Authors' and do not necessarily represent the views of the Federation, member societies or the publisher. Schedules of events in the Diary are up-to-date at time of production. It is advisable for readers to double check details with respective organizations. The appearance of Advertisements in the Diary is not a warranty, endorsement or approval of the products or safety. The Federation and Publisher disclaim responsibility for any injury to persons or property resulting from ideas or products referred to in the articles or advertisements.
